Driving Directions

From the Capital Beltway:

Take New Hampshire Avenue exit (28B) toward Takoma Park.
Turn Right onto Rittenhouse Street, NE
Turn Left onto Kansas Avenue, NE
Turn Right onto Chillum Place, NE
Make a Slight Right turn onto N. Capitol Street, NE/NW
Come down North Capitol to 6222, the school will be on the Left.

From within Washington, D.C.:

Take North Capitol north. In front of the 7-11 Convenience Store make a Right to continue on North Capitol. At the first light make a Left on to Chillum and than an immediate Right to continue on North Capitol. The school will be down the block on the Left.

The intersection at the 7-11 Convenience store is where Blair Road, Kansas and North Capitol meet. Continuing straight from North Capital (instead of making the Right) would put you on Blair Road towards Maryland. Do not go straight.

From Maryland:

Take Georgia Avenue south to a left on Blair Road. Continue on Blair Road until you are at the intersection of Kansas and North Capital (beside the 7-11 Convenience store). Make a Left on to North Capitol (going in front of the Convenience store). Make a left at the next traffic light (Chillum Place) and make an immediate Right to continue on North Capitol Street.
