THE NATIONAL REPARATIONS PEOPLE'S ASSEMBLY and

2nd NATIONAL REPARATIONS CONGRESS

NCOBRA will host a mass Reparations People's Assembly to celebrate the growing Reparations movement, evaluate the last 20 years struggle for Reparations, and plan its next stages. All events will take place in Washington, DC, the city of NCOBRA's birth. This meeting is not just for N'COBRA members. Rather it is for all Reparations activists and supporters. In the spirit and practice of N'COBRA's Leadership Roundtable and The National Reparations Congress (2004), ALL organizations and individuals, past and present, working for Reparations for African descendants are invited. We will hear updates from Reparations national, local, and international leaders at Friday's night National 20th Anniversary Rally. Saturday will be the time for Reparations leaders and workers to listen to the People.

Every person will have an opportunity to share their views and recommendations. The Reparations Movement is entering a new stage and your views and work must be **included**.
