

On April 22, 2007 at 2:30 AM our beloved brother and elder Kwakou Leak transitioned into the ancestral realm. Brother Kwakou's transition was a great surprise to all of us. Kwakou managed to touch every person he came across, whether it was through his kindness, sense of humor, or wisdom. His persistent work in the community and dedication to African people at home and abroad will forever be remembered. As we mourn our loss and celebrate his life we ask that all who had the pleasure of knowing Brother Kwakou find it in their hearts to contribute to his funeral services.

On Tuesday April 24th, Sankofa Community Empowerment will hold a memorial celebration in honor of our elder. Please find the time to come and celebrate with us as we pay homage and tribute to Brother Kwakou. Donations will be collected at this memorial service, any financial contribution no matter the amount will be greatly appreciated. All contributions will go directly to Kwakou's family for the funeral and other incurred expenses.

For more information and where you should direct your donations please contact Shesheena Bray via phone at, 267-259-1790 or via e-mail at msbray@temple.edu & Gabriel Bryant via phone at 215-687-3754 and via e-mail at gabriel_bryant@hotmail.com.

The memorial celebration will be held in Ritter Hall 305 (13th & Montgomery St., Temple's campus) from 6:30- 8:30 PM.

Peace.
